

# Fair Haven Volunteer Fire Company No. 1 Memorial Pavers

Dear Fire Company Members and Friends,

On the reverse side of this sheet you will find an application form for the Memorial Pavers that are installed near the base of the Memorial Statue at the Fire House, as shown to the right.

If you have a deceased family member or loved one who was a member of the Fire Company at the time of his or her death, you have the opportunity to memorialize that person on one of the attractive paver stones.

Please be advised that if you received this information in a mailing from the Fire Company, it is most likely that your loved one was in good standing at the time of death.

We ask that you review the information on the reverse side carefully and note that we must limit these requests to once a year, with a deadline of **February 1<sup>st</sup>** for you to submit the application.

We hope you will take advantage of this opportunity to have your loved one(s) remembered forever.

# Fair Haven Volunteer Fire Company No. 1 Memorial Paver Request Form

The Fair Haven Volunteer Fire Company No. 1 is pleased to offer you this opportunity to recognize your deceased family member or loved one who died while in good standing with the Fire Company. The Memorial Statue Committee installed attractive "paver stones" around the base of the Memorial Statue in front of the firehouse. These simple and eloquent stones will be a permanent memorial to our deceased members.

Please fill out the name of the deceased member in the form below in legible, block letters. One letter of the name should be written in each block. Be advised that we will be listing names only (not the age, date of death, rank, department, etc.) Therefore, we request that you arrange the letters for the name exactly as you want them to appear on the paver.
