Firefighter's Prayer

When I am called to duty, God, whenever flames may rage; Give me strength to save some life, whatever be its age. Help me embrace a little child before it is too late, or save an older person from the horror of that fate. Enable me to be alert and hear the weakest shout, and quickly and efficiently to put the fire out. I want to fill my calling and to give the best in me, to guard my every neighbor and protect his property. And if, according to my fate, I am to lose my life; please bless with your protecting hand my children and my Spouse.

Executive Board

A Word from Our President...

Well, the year didn't quite play out the way we had hoped, especially near the end. We did, however, manage to make some significant strides in our efforts to return to some semblance of normal. We were able to return to Softball, Old Timer's Day, the Auxiliary's 100th celebration, the Fair, and Santa at the Firehouse. Many new members have eased the strain on the old guard. Our officers and members continue to provide the services to our community with the professionalism that rivals none. To Kevin, Nancy, Marty and Dale, I extend my sincerest congratulations on a job well done. The challenges we faced were ever changing and unique to these times. Through teamwork and collaboration we have succeeded in making the Fair Haven Fire Company the best of the best. As we move into the new year, I wish that the virus would go away for good. I know that our incoming Officers are ready for the challenge of 2022. To our membership, I thank you for your past and continued support of all that we accomplish every year. Happy New Year and may the coming year bring you all Health and Happiness!
